

Timberline Families,

Hi, I am Leslie Navarro-Walker, Director of the Timberline Before and After Care Program! Registration for the 2016/17 school year is now open. I encourage families interested in the the program to register. Both new and returning families **must** register for the new school year. We also offer a Full Day Program (6:30 am- 6:00 pm) when regular school is not in session. **Please note that all children must be registered and fees paid before they attend.**

What is ECS?

Cherry Creek School District Extended Child Services includes Before and After School programs, Full-Day programs, and Kindergarten Enrichment. Each Cherry Creek School District elementary school has quality, affordable ECS programs that provide an environment where children can learn, take part in supervised recreation, and build strong, positive relationships with responsible, caring adults and with their peers. ECS programs give parents and guardians the peace of mind and security of knowing that their children are engaged in safe, enrichment and constructive activities.

ECS programs strive to provide school-age children with a safe and nurturing environment while promoting physical, emotional and intellectual development. Activities include, but are not limited to homework assistance, creative expression, science, technology, indoor/outdoor recreational games, health and nutrition, music appreciation, dramatic play, communication skills, cognitive reasoning, building and engineering, fitness and appreciation of diversity. Additionally, these programs offer a variety of activities that promote life skills such as teamwork, problem solving, creativity, leadership, sportsmanship, and community service.

ECS programs are fee-based and self-supporting. They are governed and regulated by the Cherry Creek School District and by the Colorado Department of Human Services, Division of Early Care and Learning. These programs are subject to all applicable Federal and State laws and regulations, as well as all applicable Board of Education policies.
